Experience

(2015-2016)	<div>Online shop <i>Bukalapak & Tokopedia Platform, resale and preloved items. In section aerial Photography aircraft.</i><ul style="list-style-type: none">On preloved items, Im using house flipper method to increase the value of the items. Buy the items, modified, and sell it with higher price.Resale items, were not going too well cause the market is too saturated and the user of q500 it self were not that much. luckily im using dropship method and didnt stock any items.</div>
(2022-2022)	<div>Property Agent<ul style="list-style-type: none">Handling customer, make sure they have a good time in the property, and make sure they understand the property they want to buy.Advertising and scheduling showing session with the customer.</div>
(2023-2023)	<div>OIC Youth Organization<ul style="list-style-type: none">I was a member of OIC Youth Organization, my job was to company the Diplomat guest from OIC countries to the event and make sure they have a good time in Indonesia.</div>
(2023-2023)	<div>OIC Youth Organization<ul style="list-style-type: none">I was a member of OIC Youth Organization, my job was to company the Diplomat guest from OIC countries to the event and make sure they have a good time in Indonesia.</div>
(2023-2023)	<div>Ship Mechanic<ul style="list-style-type: none">As a ship mechanic, my job was to repair the ship and ready to sail as soon as possible without compromising the quality and safety, . My position is a engineer helper, but along the way i learn a lot of things about ship mechanic and i want to contribute more to the ship mechanic world because it become my passion, So i did any other task available. ► Another position im taking were :</div>
